### INDORE SAHODAYA SCHOOL COMPLEX COMPETITIONS

Indore Sahodaya School Complex is a registered organisation of CBSE schools of indore. It establishes an idea of collaborative effort and rising together. Our school comes under Cluster II, in a group of around 40 plus schools.

This month our school proudly participated in the Sahodaya competitions, showcasing their talents and creativity in various subjects.

The Students from various classes worked on innovative projects and experiments in Science, Mathematics, Social Studies and Computer that highlighted their dedication and curiosity. The competitions were intense, with schools from across the region presenting their best ideas.

Our students excelled, impressing the judges with their originality and problem-solving skills. They brought home several prizes, adding another feather to our school's cap.

Our Champions won and brought laurels -

Our champions secured best Aim and Utility - Computer science, in Indore Sahodaya Bal Vigyan.

Our champions secured best Research Chemistry, in Indore Sahodaya Bal Vigyan.

## A Sparkling Diwali Celebration at St. Mary Champion H.S. School

*"Diwali is not just a festival; it's a celebration of life, light, and endless possibilities."*

This Diwali, St. Mary Champion H.S. School lit up with an extraordinary energy as students and teachers came together to celebrate the festival of lights with great enthusiasm and creativity. The school grounds were adorned with vibrant rangolis, sparkling diyas, and festive decorations, making it a sight to behold.

### *Competitions that Sparked Creativity:*

The Diwali celebrations were marked by exciting competitions that allowed students to showcase their talents. From intricate Rangoli designs to mouth-watering Fireless Cooking, the day was filled with joy, laughter and friendly competitions.

#### *Rangoli Competition: A feast to our eyes*

#### *Fireless Cooking: Showcasing Culinary Skills.*

## Inter House Hand Writing Competition Classes III to V - December 2024

*“good handwriting is a necessary part of education.” ~ Mahatma Gandhi*

It is an incredibly important exercise for students to encourage them to develop fine motor skills and confidence. It activates the brain and contributes to reading fluency.

## Academic Excellence at the Forefront

*“Success is the sum of small efforts, repeated day in and day out.” – Robert Collier*

As academics remain a cornerstone of our efforts alongside a vibrant array of events and activities. Demonstrating this commitment, the Pre-Board Examinations for classes X and XII were successfully conducted starting from October 30, 2024; ensuring students are well-prepared for their board assessments. These exams are an integral step in fostering confidence and readiness among learners as they approach their academic milestones.

*“curiosity is more important than knowledge”*

*~ Albert Einstein*

## Report on Children's Day Celebration at St. Mary Champion H. S. School

"Every child is a different kind of flower,  
and together they make this world a beautiful garden."

- C** - Cherished souls who bring light to our lives.
- h** - Hearts so pure, they teach us joy in simple things.
- i** - Innocence that inspires us to be our best selves.
- L** - Laughter that fills the world with happiness.
- D** - Dreamers of today, builders of tomorrow.
- r** - Radiant smiles that brighten every corner.
- E** - Endless curiosity that sparks discovery.
- n** - Nurtured with love, they grow into stars.

In honour of Children's Day, **St. Mary Champion H. S. School** celebrated the joy and importance of children in our lives with a fun-filled day of activities.

The event began with a message on the importance of the day, reminding everyone of Pandit Jawaharlal Nehru's love for children and the significance of nurturing young minds.

The highlight of the day was an **exciting Magic Show** that was planned by the management to make the children feel special. The magician Mr. Amanjeet Singh performed jaw-dropping tricks, inviting students on stage and filling the room with laughter and surprise. It brought magical smiles and left students wide-eyed and thrilled.

Adding to the excitement, teachers organized **special performances** with songs, dance and skits that brought smiles to every face. The day also featured **sports and games**, where students competed in friendly races, tug-of-war, and other fun activities that boosted their energy and spirits.

Finally, the celebration concluded with a delicious treat of **Pav Bhaji and Gulab Jamun**, which students enjoyed thoroughly. The event was a joyful reminder of the love and appreciation our school holds for its students, making Children's Day truly memorable.

Today isn't just any ordinary day—it's **Children's Day**, a day that's all about us!

Yes, coz everyone is a child for their parents and elders and it's also well said that there resides a child in each one of us.

## HAPPY CHILDREN'S DAY

**Celebrating Guru Nanak Jayanti - 15 Nov. 24**

On the occasion of Guru Nanak Jayanti, we come together to celebrate the teachings of Guru Nanak Dev Ji, who laid the foundation for Sikhism and emphasized values such as equality, peace, and the oneness of humanity. Our students enacted a play giving a spiritual message of harmony and unity.

Teachings of Guru Nanak Dev Ji reflect the essence of unity, cooperation, and collective well-being, engaging in community service, helping those in need, and practicing kindness and humility in everyday actions.

Let us remember Guru Nanak Dev Ji's message of tolerance, love, and peace as we celebrate this festival together.
