CHILDREN'S DAY

This year's Children's Day was pure magic as the entire school overflowed with laughter, music, and joy. Our amazing teachers stole the show, surprising everyone with energetic dances to upbeat songs and a heartwarming medley that had every child clapping and cheering. From tiny Nursery tots to Class XII seniors, the assembly ground rang with non-stop giggles as teachers jumped into musical chairs, passing the parcel, and fun relay games alongside the students. Seeing their usually strict ma'ams and sirs dancing, jumping, and even playfully "losing" just to spark bigger smiles lit up every child's face with pure happiness. It was a beautiful reminder that in our school, every day celebrates love, togetherness, and the child in all of us. Happy Children's Day to every little heart—you truly make our world brighter!
