Champion's Spotlight

A DAY OF GRATITUDE AND SMILES

Today, our children proudly celebrated the value of sharing and caring by presenting heartfelt gifts to our hardworking didis and bhaiyas. These incredible members of our school community work day and night to keep our surroundings clean, safe, and comfortable. Through this activity, the children learned gratitude, respect, and the importance of appreciating those who quietly support us every day. It was a touching and joyful moment that brought bright smiles to both the children and our hardworking support staff.

INTERNATIONAL ROBOTICS CHAMPIONSHIP

Again our champions have achieved a remarkable feat by securing 1st position among over 150 teams from across Madhya Pradesh in the JUNIOR CATEGORY OF THE INTERNATIONAL ROBOTICS CHAMPIONSHIP (IRC). Heartiest congratulations to the talented young participants—Purab Sharma, Awanesh Jaiswal, Harshit Wasasade, and Tanveer Keema, all from Class V—for their outstanding performance. Special applause goes to their dedicated mentor, Mrs. Shweta Lapse, for her invaluable guidance and support. The school community is incredibly proud of these young innovators!

SCHOOL LEVEL SPELL BEE WINNERS

In the school-level spell bee competition held earlier this year, our school saw an enthusiastic participation of 54 students from classes I to XII. The event showcased remarkable talent and dedication as the young spellers competed with confidence and zeal. Out of these 54 participants, an impressive 47 students qualified for the state-level competition, reflecting the high standards of preparation and linguistic skills nurtured in our institution. Among the selected students, 15 are from classes I to V, demonstrating the strong foundation built in the junior section, while 32 students hail from classes VI to XII, highlighting the continued excellence in the senior classes. We are immensely proud of their achievements and wish them the very best for the upcoming state-level challenge.

CHRISTMAS CRAFT

Our school organized a delightful Christmas craft activity for students from Nursery to KG 2. The little ones enthusiastically drew and created festive items like colorful Santa caps, Christmas trees, bells, and reindeer using crayons, glitter, and simple materials. This fun activity sparked their creativity. The children proudly displayed their handmade crafts in the classroom, adding a festive touch to the decorations. Teachers and parents were amazed by the tiny artists' imaginations and efforts. It was a wonderful way to celebrate the spirit of Christmas together!

A Handwriting Competition was held for students of classes I to V to promote neat and legible writing skills. The young participants enthusiastically wrote the given passages, focusing on letter formation, spacing, and presentation in print and cursive styles suitable for their levels. Judges assessed entries on clarity, neatness, and consistency. The event highlighted emerging talents, inspired all to value good handwriting, and motivated students through the felicitation of winners. Parents and teachers appreciated the initiative, noting how it boosted the children's confidence and discipline. Such activities reinforce the joy of writing in an increasingly digital world.

NEW YEAR RESOLUTION WRITING

As the New Year begins, students can set simple, meaningful resolutions: Primary kids can aim to read one book a week, help at home, and be kind to friends. Middle and high school students can focus on daily study, staying organized, regular exercise, and trying new hobbies. Everyone can drink more water, cut screen time, and work toward better grades. Pick realistic goals, take small steps, and enjoy the progress. Happy New Year!

CHRISTMAS CELEBRATION

Our school celebrated Christmas with joy and excitement. The campus sparkled with a decorated tree, lights, stars, and bells. Students and teachers wore festive red and white outfits. The program included beautiful carol singing, a sweet nativity play, lively dances, and poems. Santa surprised everyone with sweets and gifts, spreading smiles all around. It was a fun, warm day full of music, laughter, and the spirit of love. Merry Christmas!

SPORTS DAY

This year, our school organised a vibrant and exciting Sports Day that filled everyone with enthusiasm and energy. The day began with a colourful parade where students marched proudly in their house uniforms, showcasing discipline and team spirit. It was followed by an impressive Wushu demonstration, energetic dance performances, and melodious music presentations that added joy and cultural flair. The highlight was the thrilling races, relay events, football matches, and tug-of-war, where participants competed with determination amid loud cheers from their classmates. The event was graced by our esteemed chief guest, the honourable Bishop, whose presence added dignity and inspiration to the occasion. At the end, we celebrated the birthday of our honourable Principal Sir, Mr. Victor Swamy, with great warmth. On behalf of the entire school family, 39 gifts were presented to him, making the occasion truly special. It was an unforgettable day that promoted fitness, teamwork, creativity, and respect for our leaders.

NEW INSPIRATION

We are thrilled to announce that Nidhi Sharma of Class XII has successfully cleared the CLAT exam, securing her path to one of India's premier National Law Universities. This outstanding achievement showcases Nidhi's dedication, sharp intellect, and consistent hard work while managing her Class XII studies. The entire school community congratulates Nidhi on this proud milestone and wishes her every success in her future journey in law.

Congratulations, Nidhi!
Keep shining!

Application Number	: U260070806
Admit Card Number	: 339721710
Candidate's Name	: Nidhi Sharma
Date Of Birth	: 26-07-2008
Marks Obtained	: 91.75
India Rank (AIR)	: 935

Editor's Column

Dear Readers,

We are delighted to introduce our newsletter for December 2025-26. This monthly publication aims to share information about the school's events, achievements, and programs conducted throughout the month. This platform also enhances communication and collaboration while improving literacy and critical thinking skills.

We hope you enjoyed reading our newsletter!
